SUMMARY

Front End Developer proficient in HTML, CSS, JavaScript, and Tailwind CSS, with basic knowledge of React. Experienced in converting Figma designs into responsive, pixel-perfect web pages.

EXPERIENCE

January 2025 – April 2025
Frontend Developer Intern - *Boolmind*

- Converted Figma designs into fully responsive, cross-browser compatible web pages using HTML, CSS, JavaScript, and Tailwind CSS.
- Built interactive UI components and single-page functionality using React.js for enhanced user experience.
- Utilized Tailwind CSS to create reusable components and maintain consistent design across the application.
- Optimized front-end performance by minimizing load times and ensuring mobile-first responsiveness.

EDUCATION

September 2023 – May 2027
Bachelor's Degree Computer Science - Virtual University of Pakistan.

CERTIFICATES

Certificate in Web Development (HTML CSS JavaScript Bootstrap) - University of Lahore.

Basics of JavaScript - Udemy.
